

Thank-you for purchasing our Cleaning Cartridges Kit.

Please follow these simple guidelines to ensure the best results:

1. Open the top of your printer
2. Remove your ink4cake Edible Cartridges
3. Install your Cleaning Cartridges
4. Perform a Head Cleaning  
(in the Menu go to Setup, then Maintenance, then Head Cleaning)
5. Perform another Head Cleaning
6. After 2nd cleaning wait a 24 hour period before continuing to next step\*
7. Remove Cleaning Cartridges and re-install Edible Cartridges
8. Perform 3rd head cleaning using your Edible Cartridges
9. Print a Nozzle Check using Plain White paper

If you have any questions don't hesitate to call us.
